NEVADANS NOW GIVEN CHANCE SECURE HOMES

(Continued from page one)

uture life of this state from an agicultural and horticultural stand coint has been solved.

The Walker River Land inited States Senators Tasker L Oddie and Key Pittman, as well as J. M. Fulton, general passenger and raffic manager of the Southern Paific of the Sparks division, with leadquarters in Reno. Such men as he late Wesley Stewart of Tonopah vere deeply interested in the underaking and had Senator Stewart lived ie would have been the possessor of 500 acres of this land.

With the arrival in Tonopah today of James J Kelly, chief of police of Yerington, and Gerald Hays, of howdilla, California, the latter a amous ex-National league baseball ampire, the attention of the public of Tonopah is called to the wonderful possibilities of this great irrigation district. Business men and armers of Smith and Mason valleys, approximating 100 stockholders, have oined in the enterprise, and all are aboring for the upbuilding of these treat agricultural sections.

Moving pictures and panoramic lews of the district have been comeleted of those sections and a free show is to be given tomorrow night at the Liberty theatre that the peode may be advised of the possibililes that abound in Mason and Smith valleys. It has been decided o offer for sale in the Walker River Land company 10,000 shars of the 28. A road from Kilauea volcano, stock to the people of Nevada. The 900 feet above sea level, to the opportunity for securing a home is ummit of the great active volcano at hand, and we daresay that many f Mauna Loa, which towers 14,000 men who have been giving their best to the development of the mines ederal government which recently vantage of the opportunity that is
